A. **INTRODUCTION**

1.1. **Eligible Bidders**

1.1.1 This Invitation for Bids is open to all suppliers.

1.1.2 Bidders should not be associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Purchaser to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods to be purchased under this Invitation of Bids.

1.2 **Cost of Bidding**

1.2.1 The Bidder shall bear all costs associated with the preparation and submission of its bid, and “the Purchaser", will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

1.3 **Fraud and corruption**

1.3.1 The purchaser requires that the bidders, suppliers and contractors observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy, the following are defined:

   “corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;

   “fraudulent practice” means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;

   “collusive practice” means a scheme or arrangement between two or more bidders, with or without the knowledge of the purchaser, designed to establish bid prices at artificial, noncompetitive levels; and

   “coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract.

1.3.2 The purchaser will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question.
B  THE BIDDING DOCUMENTS

1.4  Cost of Bidding Documents

1.4.1 Interested eligible bidders may purchase the bidding documents on payment of the cost of bidding documents as indicated in the invitation for bids / NIT or alternatively, the bidding documents can be downloaded from our Website www.clri.org as indicated in the Invitation for Bids / NIT free of cost.

1.5  Content of Bidding Documents

1.5.1 The goods required, bidding procedures and contract terms are prescribed in the bidding documents which should be read in conjunction. The bidding documents, apart from the invitation for bids have been divided into 8 chapters as under:

Chapter 1: Instructions to Bidder (ITB)
Chapter 2: General Conditions of Contract (GCC) and Special Conditions of Contract (SCC)
Chapter 3: Schedule of Requirements
Chapter 4: Specifications and Allied Technical Details
Chapter 5: Price Schedule Forms
Chapter 6: Qualification requirements
Chapter 7: Contract Form
Chapter 8: Other Standard Forms comprising:

1) Bidder Information Form (Annexure I)
2) Manufacturers’ Authorization Form (Annexure II)
3) Bid Security Form (Annexure III)
4) Performance Statement Form (Annexure IV)
5) Technical Compliance Statement
6) Deviation Statement Form (Annexure V)
7) Previous Supply Details (Annexure VI)
8) Pre-Installation Requirement (Annexure VII)
9) Service Support Detail Form (Annexure VIII)
10) Bid Form (Annexure IX)
11) Performance Security Form (Annexure X)
12) Acceptance Certificate Form (Annexure XI)
13) Technical Data Sheet (Annexure XII)

1.5.2 The Bidder is expected to examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding
documents in every respect will be at the Bidder's risk and may result in rejection of its bid.

### 1.6 Clarification of bidding documents

1.6.1 **A Pre-Bid Conference will be held on 4\(^{th}\) July, 2017 at 11.00 a.m. (IST) at B.M. Das Hall for Supply, Installation, Commissioning, Training and Testing of Boiler on Turn Key basis. Modification in the tender document if any will be hosted on the website only.**

Queries and clarifications may be sent a day in advance to spo@clri.res.in so that a cogent reply can be prepared to you queries.

1.6.2 A prospective Bidder requiring any clarification of the Bidding Documents shall contact the Purchaser in writing at the Purchaser’s address specified in the Special Conditions of Contract (SCC). The Purchaser will respond in writing to any request for clarification, provided that such request is received not later than ten (10) days prior to the deadline for submission of bids. The Purchaser shall forward copies of its response to all those who have acquired the Bidding Documents directly from it, including a description of the inquiry but without identifying its source. Should the Purchaser deem it necessary to amend the Bidding Documents as a result of a clarification, it shall do so following the procedure under clause relating to amendment of bidding documents and Clause relating to Deadline for Submission of Bids. The clarifications and amendments issued would also be hosted on the website of the purchaser for the benefit of the other prospective bidders who are expected to take cognizance of the same before formulating and submitting their bids.

### 1.7 Amendment of Bidding Documents

1.7.1 At any time prior to the deadline for submission of bids, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by amendment. The same would also be hosted on the website of the Purchase and all prospective bidders are expected to surf the website before submitting their bids to take cognizance of the amendments.

1.7.2 In order to allow prospective bidders reasonable time in which to take the amendment into account in preparing their bids, the Purchaser, at its discretion, may extend the deadline for the submission of bids and host the changes on the website of the Purchaser.
C. PREPARATION OF BIDS

1.8. Language of Bid

1.8.1 The bid prepared by the Bidder, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Purchaser, shall be written in English language only especially when the details are technical. However, if GOI makes it mandatory under Rajbhasha Abhniyam, in that case views of Rajbasha unit of CSIR may be sought.

1.8.2 The Supplier shall bear all costs of translation, if any, to the English language and bear all risks of the accuracy of such translation, for documents provided by the Supplier.

1.9. Documents Comprising the Bid

1.9.1 The bid prepared by the Bidder shall include:

(a) Bidder Information Form (Technical Bid)
(b) Bid security as specified in the Invitation to Bid. (Technical Bid);
(c) Service support details form (Technical Bid);
(d) Deviation Statement Form (Technical Bid);
(e) Performance Statement Form (Technical Bid);
(f) Manufacturer’s Authorization Form (Technical Bid);
(g) Documentary evidence establishing that the bidder is eligible to bid and is qualified to perform the contract if its bid is accepted (Technical Bid);
(h) Bid form (Technical Bid);
(i) Documents establishing goods eligibility and conformity to bidding documents (Technical Bid);
(j) Applicable Price Schedule Form (Price Bid only);
(k) DGS&D enlistment certificate for Indian Agents in case an Indian Agent is quoting on behalf of their foreign principal.
(l) Schedule of requirements (Technical Bid);
(m) Technical Compliance Statement (Technical Bid);
(n) Previous supply details (Technical Bid);
(o) Pre-Installation requirement (Technical Bid);
(p) Technical Data Sheet (Technical Bid)

1.10. Bid form and price schedule

1.10.1 The bidder shall complete the Bid Form and the appropriate price schedule form furnished in the bidding documents. These forms must be completed without any alterations to its format and no substitutes shall be accepted. All blank spaces shall be filled in with the information requested. The Bid Form and the appropriate Price Schedule form shall be submitted in accordance with Clause 1.18.3 of the bidding documents.
1.11. **Bid Prices**

1.11.1 The Bidder shall indicate on the appropriate price schedule form, the unit prices and total bid prices of the goods it proposes to supply under the contract.

1.11.2 Prices indicated on the price-schedule form shall be mentioned separately in the following manner:

(a) **For Goods manufactured within India**

   (i) The price of the goods quoted Ex-works including taxes already paid.

   (ii) For R&D Equipments this Institute is exempted from payment of Excise Duty as per notification No. 10/97 - Central Excise, dated 1\textsuperscript{st} March 1997. Your bid should be free of excise duty.

   (iii) The rate of Taxes payable on the goods if the contract is awarded should be indicated clearly. This Institute is not eligible to issue “C”, “D” or any other concessional Form.

   (iv) The charges for inland transportation, insurance and other local services required for delivering the goods at the desired destination as specified in the price schedule form.

   (v) The installation, commissioning, cost of spares, cost of optional items, Annual maintenance contract and training charges including any incidental services, if any.

(b) **For Goods manufactured abroad**

   (i) The price of the goods, quoted on FCA (named place of delivery abroad) or FOB (named port of shipment), as specified in the price schedule form. The Airport must be International Gateway airport and the seaport must be international gateway seaport for FCA and FOB respectively.

   (ii) The charges for insurance and transportation of the goods to the port/place of destination.

   (iii) This Institute is also exempted from payment of Customs Duty as per notification No.51/96 – Customs. However from 1\textsuperscript{st} March 2002 the Government of India has imposed a ad-valorem Customs Duty up to 5% vide Notification 24/2002–Customs on all imports covered under Notification No.51/96.
(iv) The agency commission charges, if any.

(v) The installation and commissioning charges, cost of spares, cost of optional items, Annual maintenance contract and training charges including any incidental services, if any.

1.11.3 The terms FOB, FCA, CIF, CIP etc shall be governed by the rules prescribed in the current edition of the Incoterms published by the International Chambers of Commerce, Paris. Currently Incoterms 2010 applies.

1.11.4 **Where there is no mention of packing, forwarding, freight, insurance charges, taxes etc. such offer shall be rejected as incomplete.**

1.11.5 The price quoted shall remain fixed during the contract period and shall not vary on any account.

1.11.6 All lots and items must be listed and priced separately in the Price Schedules. If a Price Schedule shows items listed but not priced, their prices shall be assumed to be included in the prices of other items. Lots or items not listed in the Price Schedule shall be assumed to be not included in the bid.

1.11.7 The purchases made by the purchaser for scientific purpose are exempt from excise duty. For Imports Customs Duty at a concessional rate is leviable.

**Note:** All payments due under the contract shall be paid after deduction of statutory levies at source (like ESIC, IT, etc.), wherever applicable.

1.12 **Bid Currencies**

1.12.1 Prices shall be quoted in Indian Rupees for offers received for supply within India and in freely convertible foreign currency in case of offers received for supply from foreign countries.

1.13 **Documents Establishing Bidder’s Eligibility and qualifications**

1.13.1 The bidder shall furnish, as part of its bid, documents establishing the bidders’ eligibility to bid and its qualification to perform the contract if its bid is accepted.

1.13.2 The documentary evidence of the bidders qualification to perform the contract if the bid is accepted shall establish to the purchasers satisfaction that;

(a) The bidder meets the qualification criteria listed in bidding documents, if any.
(b) Bidder who doesn’t manufacture the goods, but offers to supply shall submit Manufacturers’ Authorization Form (MAF) using the form specified in the bidding document to demonstrate that it has been duly authorized by the manufacturer of the goods to quote and / or supply the goods.

(c) In case of a bidder not doing business within India, it shall furnish the certificate to the effect that the bidder is or will be represented by an agent in India equipped and able to carry out the supply, maintenance, repair obligations etc. during the warranty and post warranty period or ensure a mechanism at place for carrying out the supply, maintenance, repair obligations etc. during the warranty and post-warranty period.

(d) In case of Indian Agent of Foreign Principal, one Agent can represent only one supplier (for the item sought in the bid) and submit valid authorization from the Principal to be an Agent in this specific Tender.

1.13.3 **Conditional tenders shall not be accepted.**

### 1.14. **Documents Establishing Goods’ Conformity to specifications**

1.14.1 To establish the origin of goods a certificate of origin at the time of Shipment, to be furnished.

1.14.2 To establish the conformity of the goods and services to the specifications and schedule of requirements of the bidding document, the documentary evidence of conformity of the goods and services to the bidding documents may be in the form of literature, drawings and data, and shall consist of :

(a) A detailed description of the essential technical and performance characteristics of the goods;

(b) A list giving full particulars, including available sources and current prices, of spare parts, special tools, etc., necessary for the proper and continuing functioning of the goods during the warranty period following commencement of the use of the goods by the Purchaser in the Priced- bid ; and

(c) An item-by-item commentary on the Purchaser's Technical Specifications demonstrating substantial responsiveness of the goods and services to those specifications or a statement of deviations and exceptions to the provisions of the Technical Specifications. (Refer to Technical Compliance Statement – Annexure V, VI).

1.14.3 For purposes of the commentary to be furnished pursuant to above, the Bidder shall note that standards for workmanship, material and equipment, designated by
the Purchaser in its Technical Specifications are intended to be descriptive only and not restrictive. The Bidder may substitute these in its bid, provided that it demonstrates to the Purchaser's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

1.15. **Bid Security**

1.15.1 The Bidder shall furnish, as part of its bid, a bid security (BS) for an amount as specified in the Invitation for Bids. In the case of foreign bidders, the BS shall be submitted either by the principal or by the Indian agent and in the case of indigenous bidder, the BS shall be submitted by the manufacturer or their specifically authorized dealer/bidder.

1.15.2 The bid security is required to protect the Purchaser against the risk of Bidder's conduct, which would warrant the security's forfeiture.

1.15.3 The bid security shall be in Indian Rupees for offers received for supply within India and denominated in the currency of the bid or in any freely convertible foreign exchange in the case of offers received for supplies from foreign countries in equivalent Indian Rupees. The bid security shall be in one of the following forms at the bidders’ option:

(a) A bank guarantee issued by a Nationalized/Scheduled bank/Foreign Bank operating in India in the form provided in the bidding documents and valid for 60 days beyond the validity of the bid. In case a bidder desires to submit a BG issued from a foreign bank, then the same should be confirmed by a Nationalised /Scheduled Indian bank; or

(b) A Banker’s cheque or demand draft in favour of the purchaser issued by any Nationalised/Scheduled Indian bank.

1.15.4 The bid security shall be payable promptly upon written demand by the purchaser in case the conditions listed in the ITB clause 1.15.11 are invoked.

1.15.5 The bid security should be submitted in its original form. Copies shall not be accepted.

1.15.6 **Failure to submit the prescribed Bid Security (EMD) will make the tender ineligible ab initio.**

1.15.7 The bid security of unsuccessful bidder will be discharged /returned as promptly as possible positively within a period of 30 days after the expiration of the period of bid validity or placement of order whichever is later, without any interest.
1.15.8 The successful Bidder's bid security will be discharged upon the Bidder furnishing the performance security, without any interest. Alternatively, the BS could also be adjusted against PS, if it is paid through DD/BC.

1.15.9 The firms registered with DGS&D, NSIC, are exempted from payment of BS provided such registration includes the item they are offering which are manufactured by them and not for selling products manufactured by other companies.

1.15.10 In case a bidder intimates at the time of tender opening in writing that the bid security is kept inside the financial bid, then in such cases, the technical bid of the party would be accepted provisionally till opening of the financial bids with which the party has attached the bid security.

1.15.11 The bid security may be forfeited:

(a) If a Bidder withdraws or amends or modifies or impairs or derogates its bid during the period of bid validity specified by the Bidder on the Bid Form; or

(b) In case of a successful Bidder, if the Bidder fails to furnish order acceptance within 15 days of the order or fails to sign the contract and/or fails to furnish Performance Security within 21 days from the date of contract/order.

1.15.12 Whenever the bidder chooses to submit the Bid Security in the form of Bank Guarantee, then he should advise the banker issuing the Bank Guarantee to immediately send by Registered Post (A.D.) an unstamped duplicate copy of the Guarantee directly to the Purchaser with a covering letter to compare with the original BG for the correctness, genuineness, etc.

1.16. Period of Validity of Bids

1.16.1 Bids shall remain valid for minimum of 180 days after the date of bid opening prescribed by the Purchaser. A bid valid for a shorter period shall be rejected by the Purchaser as non-responsive.

1.16.2 In exceptional circumstances, the Purchaser may solicit the Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing (or by cable, telex, fax or e-mail). The bid security provided shall also be suitably extended. A Bidder may refuse the request without forfeiting its bid security. A Bidder granting the request will not be required nor permitted to modify its bid.

1.16.3 Bid evaluation will be based on the bid prices without taking into consideration the above corrections.
1.17. **Format and Signing of Bid**

1.17.1 The bids may be submitted in single bid or in two parts as specified in the Invitation for Bids / NIT.

1.17.2 In case the bids are invited on single bid basis, then the Bidder shall prepare two copies of the bid, clearly marking each "Original Bid" and "Copy Bid", as appropriate. In the event of any discrepancy between them, the original shall govern.

1.17.3 In case the bids are invited on two-bid system, the Bidder shall submit the bids in two separate parts. One part shall contain Technical bid comprising all documents listed under clause relating to Documents Comprising the Bid excepting bid form and price schedules. The other part shall contain the priced-bid comprising bid form and price schedules.

1.17.4 The original and all copies of the bid shall be typed or written in indelible ink and shall be signed by the Bidder or a person or persons duly authorized to bind the Bidder to the Contract. All pages of the bid, except for un-amended printed literature, shall be initialed by the person or persons signing the bid.

1.17.5 Any interlineations, erasures or overwriting shall be valid only if they are initialed by the persons or persons signing the bid.

1.17.6 All prices in Price Bid / Bid should be given in figures and in words. If there is any discrepancy between the Prices given in figures and words the higher of the two shall be taken for our comparison.

### D SUBMISSION AND SEALING OF BIDS

1.18. **Submission, Sealing and Marking of Bids**

1.18.1 The bidders may submit their duly sealed bids generally by post or by hand.

1.18.2 In the case of bids invited on single envelop basis, the Bidders shall seal the original and each copy of the bid in separate inner envelopes, duly marking the envelopes as "original" and "copy". The envelopes shall then be sealed in an outer envelop.

1.18.3 In the case of bids invited on two part basis, the Bidder shall seal the un-priced commercial and technical bid comprising the documents as listed in ITB 1.9.1 excepting for h & j and the priced bid in two separate envelops duly marked as “Technical bid” and “priced bid”. Both the envelopes shall then be sealed in one outer envelope.
1.18.4 (a) The inner and outer envelopes shall be addressed to the Purchaser indicated in the SCC.

(b) Bear the name and address of the bidder and the envelope should be superscribed with the following:
Supply, Installation, Commissioning, Training and Testing of Boiler on Turn Key basis - “Tender No. 28(1138)/2017/Pur/T-32 due date 19th July 2017 upto 12.00 P.M.” and a warning "Do not open before 19th July 2017 at 3.00 P.M.”

1.18.5 If the outer envelope is not sealed and marked as required above, the Purchaser will assume no responsibility for the bid's misplacement or premature opening. In such cases, bids received in open condition within the due date and time will be accepted at the risk of the bidder if the same is presented to the Controller of Stores & Purchase before expiry of the due date and time of opening of the bids.

1.18.6 Firms submitting bids in a single envelope against the requirement of two-bid system would be considered for further evaluation at the risk & responsibility of the bidder. However, the opened priced bid would be sealed immediately by the TOC without disclosing the price.

1.19. **Deadline for Submission of Bids**

1.19.1 Bids must be received by the Purchaser at the address specified in Invitation for bids not later than the time and date specified therein. In the event of the specified date for the submission of Bids being declared a holiday for the Purchaser, the Bids will be received upto the appointed time on the next working day.

1.19.2 The Purchaser may, at its discretion, extend the deadline for submission of bids by amending the bid documents in accordance with Clause relating to Amendment of Bidding Documents in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

1.20. **Late Bids**

1.20.1 Any bid received by the Purchaser after the deadline for submission of bids prescribed by the Purchaser will be rejected.

1.20.2 Such tenders shall be marked as late and not considered for further evaluation. They shall not be opened at all and be returned to the bidders in their original envelope without opening.
1.21. **Withdrawal, substitution and Modification of Bids.**

1.21.1 A Bidder may withdraw, substitute, or modify its Bid after it has been submitted by sending a written notice in accordance with ITB Clause 1.18 duly signed by an authorized representative, and shall include a copy of the authorization in accordance with ITB Sub-Clause 1.17.4 (except that no copies of the withdrawal notice are required). The corresponding substitution or modification of the bid must accompany the respective written notice. All notices must be:

(a) Submitted in accordance with ITB Clauses 1.17 and 1.18 (except that withdrawal notices do not require copies), and in addition, the respective envelopes shall be clearly marked “WITHDRAWAL,” “SUBSTITUTION,” or “MODIFICATION”; and

(b) Received by the Purchaser prior to the deadline prescribed for submission of bids, in accordance with ITB Clause 1.19.

1.21.2 Bids requested to be withdrawn in accordance with ITB Sub-Clause 1.21.1 shall be returned unopened to the Bidders. No bid may be withdrawn, substituted, or modified in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the Bidder on the Bid Form or any extension thereof.

**E. OPENING AND EVALUATION OF BIDS**

1.22. **Opening of Bids by the Purchaser**

1.22.1 The Purchaser will open all bids one at a time in the presence of bidders' authorized representatives who choose to attend, as per the schedule given in invitation for bids. The Bidders' representatives who are present shall sign the quotation opening sheet evidencing their attendance. In the event of the specified date of Bid opening being declared a holiday for the Purchaser, the Bids shall be opened at the appointed time and location on the next working day. In two-part bidding, the financial bid shall be opened only after technical evaluation.

1.22.2 First, envelopes marked “WITHDRAWAL” shall be opened and read out and the envelope with the corresponding bid shall not be opened, but returned to the Bidder. No bid withdrawal shall be permitted unless the corresponding withdrawal notice contains a valid authorization to request the withdrawal and is read out at bid opening. Next, envelopes marked “SUBSTITUTION” shall be opened and read out and exchanged with the corresponding Bid being substituted, and the substituted Bid shall not be opened, but returned to the Bidder. No Bid substitution shall be permitted unless the corresponding substitution notice contains a valid authorization to request the substitution and is read out at bid
opening. Envelopes marked “MODIFICATION” shall be opened and read out with the corresponding Bid. No Bid modification shall be permitted unless the corresponding modification notice contains a valid authorization to request the modification and is read out at Bid opening. Only envelopes that are opened and read out at Bid opening shall be considered further.

1.22.3 The bidders’ names, bid modifications or withdrawals, bid prices, discounts, and the presence or absence of requisite bid security and such other details as the Purchaser, at its discretion, may consider appropriate, will be announced at the opening. No bid shall be rejected at bid opening, except for late bid(s). The contents of the bid forms and price schedules would however be announced only at the time of opening of Priced-bids in the case of two-bid system.

1.22.4 Bids that are received late shall not be considered further for evaluation, irrespective of the circumstances.

1.22.5 **Bidders interested in participating in the bid opening process, should depute their representatives along with an authority letter to be submitted to the purchaser at the time of bid opening.**

### 1.23. Confidentiality

1.23.1 Information relating to the examination, evaluation, comparison, and post qualification of bids, and recommendation of contract award, shall not be disclosed to bidders or any other persons not officially concerned with such process until publication of the Contract Award.

1.23.2 Any effort by a Bidder to influence the Purchaser in the examination, evaluation, comparison, and post qualification of the bids or contract award decisions may result in the rejection of its Bid.

### 1.24. Clarification of Bids

1.24.1 To assist in the examination, evaluation, comparison and post qualification of the bids, the Purchaser may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing and no change in prices or substance of the bid shall be sought, offered or permitted. However, no negotiation shall be held except with the lowest bidder, at the discretion of the purchaser. Any clarification submitted by a bidder in respect to its bid which is not in response to a request by the purchaser shall not be considered.
1.25. **Preliminary Examination**

1.25.1 The Purchaser shall examine the bids to confirm that all documents and technical documentation requested in ITB Clause 1.9 have been provided, and to determine the completeness of each document submitted.

1.25.2 The Purchaser shall confirm that the following documents and information have been provided in the Bid. If any of these documents or information is missing, the offer shall be rejected.

(a) Bid Form and Price Schedule, in accordance with ITB Clause 1.10;

(b) All the tenders received will first be scrutinized to see whether the tenders meet the basic requirements as incorporated in the tender enquiry document. The tenders, who do not meet meet the basic requirements, are to be treated as unresponsive and ignored. The following are some of the important points, for which a tender may be declared as unresponsive and to be ignored, during the initial scrutiny:

(i) The Bid is unsigned.
(ii) The Bidder is not eligible.
(iii) The Bid validity is shorter than the required period.
(iv) The Bidder has quoted for goods manufactured by a different firm without the required authority letter from the proposed manufacturer.
(v) Bidder has not agreed to give the required performance security.
(vi) The goods quoted are sub-standard, not meeting the required specification, etc.
(vii) Against the schedule of Requirement (incorporated in the tender enquiry), the tenderer has not quoted for the entire requirement as specified in that schedule.
(viii) The tenderer has not agreed to some essential condition(s) incorporated in the tender enquiry.

1.26 **Responsiveness of Bids**

1.26.1 Prior to the detailed evaluation, the purchaser will determine the substantial responsiveness of each bid to the bidding documents. For purposes of this clause, a substantive responsive bid is one, which conforms to all terms and condition of the bidding documents without material deviations, reservations or omissions. A material deviation, reservation or omission is one that:

(a) Affects in any substantial way the scope, quality, or performance of the Goods and Related Services specified in the Contract; or
(b) Limits in any substantial way, inconsistent with the Bidding Documents, the Purchaser’s rights or the Bidder’s obligations under the Contract; or

(c) If rectified, would unfairly affect the competitive position of other bidders presenting substantially responsive bids.

1.26.2 The purchasers’ determination of a bid’s responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

1.26.3 If a bid is not substantially responsive, it will be rejected by the Purchaser and may not subsequently be made responsive by the Bidder by correction of the material deviation, reservation or omission.

1.27 **Non-Conformity, Error and Omission**

1.27.1 Provided that a Bid is substantially responsive, the Purchaser may waive any nonconformities or omissions in the Bid that do not constitute a material deviation.

1.27.2 Provided that a bid is substantially responsive, the Purchaser may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the Bid. Failure of the Bidder to comply with the request may result in the rejection of its Bid.

1.27.3 Provided that the Bid is substantially responsive, the Purchaser shall correct arithmetical errors on the following basis:

(a) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected;

(b) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and

(c) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

1.27.4 Provided that a bid is substantially responsive, the purchaser may request that a bidder may confirm the correctness of arithmetic errors as done by the purchaser.
within a target date. In case, no reply is received then the bid submitted shall be ignored and its Bid Security may be forfeited.

1.28 Examination of Terms & Conditions, Technical Evaluation

1.28.1 The Purchaser shall examine the Bid to confirm that all terms and conditions specified in the GCC and the SCC have been accepted by the Bidder without any material deviation or reservation.

1.28.2 The Purchaser shall evaluate the technical aspects of the Bid submitted in accordance with ITB Clause 1.14, to confirm that all requirements specified in Schedule of Requirements of the Bidding Documents have been met without any material deviation or reservation.

1.28.3 If, after the examination of the terms and conditions and the technical evaluation, the Purchaser determines that the Bid is not substantially responsive in accordance with ITB Clause 1.26, it shall reject the Bid.

1.28.4 The Terms and Conditions of the firm sent with the bid which are contrary, either in full or part, with any of the clauses in GCC or SCC will not be binding on CLRI.

1.29 Conversion to Single Currency

1.29.1 To facilitate evaluation and comparison, the Purchaser will convert all bid prices expressed in the amounts in various currencies in which the bid prices are payable to Indian Rupees at the selling exchange rate established by any bank in India as notified in the Newspapers on the date of bid opening in the case of single part bidding and the rates prevalent on the date of opening of the Priced bids in the case of two-part bidding. For this purpose, exchange rate notified in www.xe.com or RBI Website or any other website could also be used by the purchaser.

1.30 Evaluation and comparison of bids

1.30.1 The Purchaser shall evaluate each bid that has been determined, up to this stage of the evaluation, to be substantially responsive.

1.30.2 To evaluate a Bid, the Purchaser shall only use all the factors, methodologies and criteria defined below. No other criteria or methodology shall be permitted.
1.30.3 The bids shall be evaluated on the basis of final landing cost which shall be arrived as under:

(Please note CSIR-CLRI is exempted from payment of excise duty vide notification No. 10/97 by DSIR and eligible for concessional customs duty @ 5.15% under Notification No. 51/96)

**For goods manufactured in India**

(i) The price of the goods quoted ex-works including all taxes already paid.

(ii) GST and other taxes like excise duty (if payable) etc. which will be payable on the goods if the contract is awarded.

(iii) Charges for inland transportation, insurance and other local services required for delivering the goods at the desired destination.

(iv) The installation, commissioning, cost of spares if opted for, cost of optional items if opted for, Annual maintenance contract if opted for and training charges including any incidental services, if any.

**For goods manufactured abroad**

(i) The price of the goods, quoted on FCA (named place of delivery abroad) or FOB (named port of shipment), as specified in the bidding document. The Port of shipment will be Gateway International Airport or Seaport as the case may be.

(ii) The charges for insurance and transportation of the goods to the port/place of destination including clearance charges if any.

(iii) The agency commission etc., if any as a percentage on Ex-Works Value.

(iv) The installation, commissioning, cost of spares if opted for, cost of optional items if opted for, Annual maintenance contract if opted for and training charges including any incidental services, if any.

1.30.4 The comparison between the indigenous and the foreign offers shall be made on FOR destination basis and CIF/CIP basis respectively. However, the CIF/CIP prices quoted by any foreign bidder shall be loaded further as under:

(a) Towards customs duty and other statutory levies—as per applicable rates.

(b) Towards custom clearance, inland transportation etc. - 2% of the CIF/CIP value.
Note:
1. Where there is no mention of packing, forwarding, freight, insurance charges, taxes etc. such offers shall be rejected as incomplete.
2. Wherever optional items are to be procured the comparative would be made including the optional items.

1.30.5 In the case of Purchase of many items against one tender, which are not interdependent or, where compatibility is not a problem, normally the comparison would be made on ex-works, (in case of indigenous items) and on FOB / FCA (in the case of imports) prices quoted by the firms for identifying the lowest quoting firm for each item.

1.30.6 Orders for imported stores need not necessarily be on FOB/FCA basis rather it can be on the basis of any of the incoterm specified in ICC Incoterms 2010 as may be amended from time to time by the ICC or any other designated authority and favorable to CSIR Labs. /Institutes or Headquarters.

1.30.7 Wherever the price quoted on FOB/FCA and CIF/CIP basis are the same, the Contract would be made on CIF / CIP basis only.

1.30.8 The GCC and the SCC shall specify the mode of transport i.e., whether by air/ocean/road/rail.

1.31 Comparison of Bids

1.31.1 The Purchaser shall compare all substantially responsive bids to determine the lowest valuated bid, in accordance with ITB Clause 1.30.

1.32 Contacting the Purchaser

1.32.1 Subject to ITB Clause 1.24, no Bidder shall contact the Purchaser on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded.

1.32.2 Any effort by a Bidder to influence the Purchaser in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the Bidder's bid.

1.33 Post qualification

1.33.1 In the absence of pre-qualification, the Purchaser will determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated responsive bid is qualified to perform the contract satisfactorily, in accordance with the criteria listed in ITB Clause 1.13.
1.33.2 The determination will take into account the eligibility criteria listed in the bidding documents and will be based upon an examination of the documentary evidence of the Bidder’s qualifications submitted by the Bidder, as well as such other information as the Purchaser deems necessary and appropriate.

1.33.3 An affirmative determination will be a prerequisite for award of the contract to the Bidder. A negative determination will result in rejection of the Bidder’s bid.

F. AWARD OF CONTRACT

1.34 Negotiations

1.34.1 There shall not be any negotiation normally. Negotiations, if at all, shall be an exception and only in the case of items with limited source of supply. Negotiations shall be held with the lowest evaluated responsive bidder. Counter offers tantamount to negotiations and shall be treated at par with negotiations in the case of one time purchases.

1.35 Award Criteria

1.35.1 Subject to ITB Clause 1.37, the Purchaser will award the contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined to be the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the contract satisfactorily. The details of the award would be hosted on the website of the Purchaser.

1.36 Purchaser’s right to vary Quantities at Time of Award

1.36.1 The Purchaser reserves the right at the time of Contract award to increase or decrease the quantity of goods and services originally specified in the Schedule of Requirements without any change in unit price or other terms and conditions. Further, at the discretion of the purchaser, the quantities in the contract may be enhanced by 30% within the delivery period.

1.37 Purchaser’s right to accept Any Bid and to reject any or All Bids

1.37.1 The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or Bidders.

1.38 Notification of Award

1.38.1 Prior to the expiration of the period of bid validity, the Purchaser will notify the successful bidder in writing by registered letter or by cable or telex or fax or e mail
that the bid has been accepted and a separate purchase order shall follow through post.

1.38.2 Until a formal contract is prepared and executed, the notification of award should constitute a binding contract.

1.38.3 Upon the successful Bidder’s furnishing of the signed Contract Form and performance security pursuant to ITB Clause 1.41, the Purchaser will promptly notify each unsuccessful Bidder and will discharge its bid security.

1.39 **Signing of Contract**

1.39.1 Promptly after notification, the Purchaser shall send the successful Bidder the Agreement/PO.

1.39.2 Within twenty-one (21) days of date of the Agreement, the successful Bidder shall sign, date, and return it to the Purchaser.

1.40 **Order Acceptance**

1.40.1 The successful bidder should submit Order acceptance within 21 days from the date of issue, failing which it shall be presumed that the vendor is not interested and his bid security is liable to be forfeited pursuant to clause 1.15.11 of ITB.

1.40.2 The order confirmation must be received within 21 days. However, the Purchaser has the powers to extend the time frame for submission of order confirmation and submission of Performance Security (PS). Even after extension of time, if the order confirmation /PS are not received, the contract shall be cancelled and limited tenders irrespective of the value shall be invited from the responding firms after forfeiting the bid security of the defaulting firm, where applicable, provided there is no change in specifications. In such cases the defaulting firm shall not be considered again for re-tendering in the particular case.

1.41 **Performance Security**

1.41.1 Within 21 days of receipt of the notification of award/PO, the Supplier shall furnish performance security in the amount specified in SCC, valid till 60 days after the warranty period. Alternatively, the PS may also be submitted at the time of release of final payment in cases where part payment is made against delivery & part on installation. The PS, where applicable, shall be submitted in advance for orders where full payment is to be made on Letter of Credit (LC) or on delivery. In this case, submission of PS at the time of negotiation of documents through Bank would be stipulated as a condition in the LC and the BS should be kept valid till such time the PS is submitted.
1.41.2 The proceeds of the performance security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.

1.41.3 The Performance Security shall be denominated in Indian Rupees for the offers received for supplies within India and denominated in the currency of the contract in the case of offers received for supply from foreign countries.

1.41.4 In the case of imports, the PS may be submitted either by the principal or by the Indian agent and, in the case of purchases from indigenous sources, the PS may be submitted by either the manufacturer or their authorized dealer/bidder.

1.41.5 The Performance security shall be in one of the following forms:

(a) A Bank guarantee or stand-by Letter of Credit issued by a Nationalized/Scheduled bank located in India or a foreign bank with preferably its operating branch in India in the form provided in the bidding documents. Or

(b) A Banker’s cheque or Account Payee demand draft in favour of the purchaser.

1.41.6 The performance security will be discharged by the Purchaser and returned to the Supplier not later than 60 days following the date of completion of the Supplier's performance obligations, including any warranty obligations, unless specified otherwise in SCC, without levy of any interest.

1.41.7 In the event of any contract amendment, the supplier shall, within 21 days of receipt of such amendment, furnish the amendment to the performance security, rendering the same valid for the duration of the contract, as amended for further period of 60 days thereafter.

1.41.8 The order confirmation should be received within 21 days from the date of notification of award. However, the purchaser has the powers to extend the time frame for submission of order confirmation and submission of Performance Security (PS). Even after extension of time, if the order confirmation /PS are not received, the contract shall be cancelled and limited tenders irrespective of the value would be invited from the responding firms after forfeiting the bid security of the defaulting firm, where applicable provided there is no change in specifications. In such cases the defaulting firm would not be considered again for re-tendering in the particular case.

1.41.9 Whenever, the bidder chooses to submit the Performance Security in the form of Bank Guarantee, and then he should advise the banker issuing the Bank Guarantee to immediately send by Registered Post (A.D.) an unstamped duplicate copy of the Guarantee directly to the Purchaser with a covering letter to compare with the original BG for the correctness, genuineness, etc.

2.1 Definitions

2.1.1 The following words and expressions shall have the meanings hereby assigned to them:

(a) “Contract” means the Contract Agreement entered into between the Purchaser and the Supplier, together with the Contract Documents referred to therein, including all attachments, appendices, and all documents incorporated by reference therein.

(b) “Contract Documents” means the documents listed in the Contract Agreement, including any amendments thereto.

(c) “Contract Price” means the price payable to the Supplier as specified in the Contract Agreement, subject to such additions and adjustments thereto or deductions therefrom, as may be made pursuant to the Contract.

(d) “Day” means calendar day.

(e) “Completion” means the fulfillment of the Related Services by the Supplier in accordance with the terms and conditions set forth in the Contract.

(f) “GCC” means the General Conditions of Contract.

(g) “Goods” means all of the commodities, raw material, machinery and equipment, and/or other materials that the Supplier is required to supply to the Purchaser under the Contract.

(h) “Related Services” means the services incidental to the supply of the goods, such as transportation, insurance, installation, training and initial maintenance and other such obligations of the Supplier under the Contract.

(i) “SCC” means the Special Conditions of Contract.

(j) “Subcontractor” means any natural person, private or government entity, or a combination of the above, to whom any part of the Goods to be supplied or execution of any part of the Related Services is subcontracted by the Supplier.

(k) “Supplier” means the natural person, private or government entity, or a combination of the above, whose bid to perform the Contract has been accepted by the Purchaser and is named as such in the Contract Agreement.

(l) The “Council” means the Council of Scientific & Industrial Research (CSIR), registered under the Societies Registration Act, 1860 of the Govt. of India
having its registered office at 2, Rafi Marg, New Delhi-110001, India and the “Purchaser” means Controller of Stores & Purchase, on behalf of the Director, Central Leather Research Institute, Adyar, Chennai – 600020, INDIA as specified in SCC.

(m) “The final destination,” where applicable, means the place named in the SCC.

2.2 **Contract Documents**

2.2.1 Subject to the order of precedence set forth in the Contract Agreement, all documents forming the Contract (and all parts thereof) are intended to be correlative, complementary, and mutually explanatory. The Contract Agreement shall be read as a whole.

2.3 **Fraud and Corruption**

2.3.1 The purchaser requires that bidders, suppliers, contractors and consultants, if any, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy,

(a) The terms set forth below are defined as follows:

(i) “Corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;

(ii) “Fraudulent practice” means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;

(iii) “Collusive practice” means a scheme or arrangement between two or more bidders, with or without the knowledge of the Borrower, designed to establish bid prices at artificial, noncompetitive levels; and

(iv) “Coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract;

(b) The purchaser will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question;
2.4  **Joint Venture, Consortium or Association**

2.4.1  If the Supplier is a joint venture, consortium, or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfillment of the provisions of the Contract and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. The composition or the constitution of the joint venture, consortium, or association shall not be altered without the prior consent of the Purchaser.

2.5  **Scope of Supply**

2.5.1  The Goods and Related Services to be supplied shall be as specified in Chapter 4 i.e. Specifications and allied technical details.

2.6  **Suppliers’ Responsibilities**

2.6.1  The Supplier shall supply all the Goods and Related Services included in the Scope of Supply in accordance with Scope of Supply Clause of the GCC, and the Delivery and Completion Schedule, as per GCC Clause relating to delivery and document.

2.7  **Contract price**

2.7.1  Prices charged by the Supplier for the Goods supplied and the Related Services performed under the Contract shall not vary from the prices quoted by the Supplier in its bid.

2.8  **Copy Right**

2.8.1  The copyright in all drawings, documents, and other materials containing data and information furnished to the Purchaser by the Supplier herein shall remain vested in the Supplier, or, if they are furnished to the Purchaser directly or through the Supplier by any third party, including suppliers of materials, the copyright in such materials shall remain vested in such third party.

2.9  **Application**

2.9.1  These General Conditions shall apply to the extent that they are not superseded by provisions in other parts of the Contract.

2.10  **Standards**

2.10.1  The Goods supplied and services rendered under this Contract shall conform to the standards mentioned in the Technical Specifications and Schedule of Requirements, and, when no applicable standard is mentioned, to the authoritative
standard appropriate to the Goods' country of origin and such standards shall be the latest issued by the concerned institution.

2.11 Use of Contract Documents and Information

2.11.1 The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far, as may be necessary for purposes of such performance.

2.11.2 The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information enumerated above except for purposes of performing the Contract.

2.11.3 Any document, other than the Contract itself, enumerated above shall remain the property of the Purchaser and shall be returned (in all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so required by the Purchaser.

2.12 Patent Indemnity

2.12.1 The Supplier shall, subject to the Purchaser’s compliance with GCC Sub-Clause 2.12.2, indemnify and hold harmless the Purchaser and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney’s fees and expenses, which the Purchaser may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of:

(a) The installation of the Goods by the Supplier or the use of the Goods in India; and

(b) The sale in any country of the products produced by the Goods.

2.12.2 If any proceedings are brought or any claim is made against the Purchaser, the Purchaser shall promptly give the Supplier a notice thereof and the Supplier may at its own expense and in the Purchaser’s name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claims.
2.13 **Performance Security**

2.13.1 Within 21 days of receipt of the notification of award/PO, the Supplier shall furnish performance security in the amount specified in SCC, valid till 60 days after the warranty period. Alternatively, the PS may also be submitted at the time of release of final payment in cases where part payment is made against delivery & part on installation. The PS, where applicable, shall be submitted in advance for orders where full payment is to be made on Letter of Credit (LC) or on delivery. In this case, submission of PS at the time of negotiation of documents through Bank would be stipulated as a condition in the LC and the BS should be kept valid till such time the PS is submitted.

2.13.2 The proceeds of the performance security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.

2.13.3 The Performance Security shall be denominated in Indian Rupees for the offers received for supplies within India and denominated in the currency of the contract in the case of offers received for supply from foreign countries.

2.13.4 In the case of imports, the PS may be submitted either by the principal or by the Indian agent and, in the case of purchases from indigenous sources, the PS may be submitted by either the manufacturer or their authorized dealer/bidder.

2.13.5 The Performance security shall be in one of the following forms:

   (a) A Bank guarantee or stand-by Letter of Credit issued by a Nationalized/Scheduled bank located in India or a bank located abroad in the form provided in the bidding documents.

   (Or)

   (b) A Banker’s cheque or Account Payee demand draft in favour of the purchaser.

2.13.6 The performance security will be discharged by the Purchaser and returned to the Supplier not later than 60 days following the date of completion of the Supplier's performance obligations, including any warranty obligations, unless specified otherwise in SCC, without levy of any interest.

2.13.7 In the event of any contract amendment, the supplier shall, within 21 days of receipt of such amendment, furnish the amendment to the performance security, rendering the same valid for the duration of the contract, as amended for further period of 60 days thereafter.

2.13.8 The order confirmation and Performance Security should be received within 15 days from the date of notification of award. However, the Purchaser has the
powers to extend the time frame for submission of order confirmation and submission of Performance Security (PS). Even after extension of time, if the order confirmation/PS are not received, the contract shall be cancelled and limited enders irrespective of the value would be invited from the responding firms after forfeiting the bid security of the defaulting firm, where applicable provided there is no change in specifications. In such cases the defaulting firm would not be considered again for re-tendering in the particular case.

2.13.9 **Whenever, the bidder chooses to submit the Performance Security in the form of Bank Guarantee, and then he should advise the banker issuing the Bank Guarantee to immediately send by Registered Post (A.D.) an unstamped duplicate copy of the Guarantee directly to the Purchaser with a covering letter to compare with the original BG for the correctness, genuineness, etc.**

### 2.14 Inspections and Tests

2.14.1 The inspections & test, training required would be as detailed in Chapter-4 of the Bidding Document relating to Specification and Allied Technical details.

### 2.15 Packing

2.15.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.

2.15.2 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be provided for in the Contract including additional requirements, if any, specified in SCC and in any subsequent instructions ordered by the Purchaser.

### 2.16 Delivery and Documents

2.16.1 Delivery of the Goods and completion and related services shall be made by the Supplier in accordance with the terms specified by the Purchaser in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.

2.16.2 The terms FOB, FCA, CIF, CIP etc shall be governed by the rules prescribed in the current edition of the Incoterms published by the International Chambers of Commerce, Paris. Currently it is Incoterms 2010.
2.16.3 The mode of transportation shall be as specified in SCC.

2.17 Insurance

2.17.1 Should the purchaser elect to buy on CIF/CIP basis, the Goods supplied under the Contract shall be fully insured in Indian Rupees against any loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in SCC.

2.17.2 Where delivery of the goods is required by the purchaser on CIF or CIP basis the supplier shall arrange and pay for Cargo Insurance, naming the purchaser as beneficiary and initiate & pursue claims till settlement, on the event of any loss or damage.

2.17.3 Where delivery is on FOB or FCA basis, insurance would be the responsibility of the purchaser.

2.17.4 With a view to ensure that claims on insurance companies, if any, are lodged in time, the bidders and /or the Indian agent shall be responsible for follow up with their principals for ascertaining the dispatch details and informing the same to the Purchaser and he shall also liaise with the Purchaser to ascertain the arrival of the consignment after clearance so that immediately thereafter in his presence the consignment could be opened and the insurance claim be lodged, if required, without any loss of time. Any delay on the part of the bidder/Indian Agent would be viewed seriously and he shall be directly responsible for any loss sustained by the purchaser on the event of the delay.

2.18 Transportation

2.18.1 Where the Supplier is required under the Contract to deliver the Goods FOB, transport of the Goods, up to and including the point of putting the Goods on board the vessel at the specified port of loading, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract price. Where the Supplier is required under the Contract to deliver the Goods FCA, transport of the Goods and delivery into the custody of the carrier at the place named by the Purchaser or other agreed point shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract price.

2.18.2 Where the Supplier is required under the Contract to deliver the Goods CIF or CIP, transport of the Goods to the port of destination or such other named place of destination in the Purchaser’s country, as shall be specified in the Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.
2.18.3 In the case of supplies from within India, where the Supplier is required under the Contract to transport the Goods to a specified destination in India, defined as the Final Destination, transport to such destination, including insurance and storage, as specified in the Contract, shall be arranged by the Supplier, and the related costs shall be included in the Contract Price.

2.19 **Incidental Services**

2.19.1 The supplier may be required to provide any or all of the services, including training, if any, specified in Chapter 3 & 4.

2.20 **Spare Parts**

2.20.1 The Supplier shall be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier:

(a) Such spare parts as the Purchaser may elect to purchase from the Supplier, providing that this election shall not relieve the Supplier of any warranty obligations under the Contract; and

(b) In the event of termination of production of the spare parts:

   (i) Advance notification to the Purchaser of the pending termination, in sufficient time to permit the Purchaser to procure needed requirements; and

   (ii) Following such termination, furnishing at no cost to the Purchaser, the blueprints, drawings and specifications of the spare parts, if requested.

2.20.2 The Supplier should furnish a guarantee that spares will be available for a minimum period of 10 Years from the date of installation of the equipment.

2.21 **Warranty**

2.21.1 The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.

2.21.2 The Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in India.
2.21.3 Unless otherwise specified in; the SCC the warranty shall remain valid for Twelve (12) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the SCC, or for eighteen (18) months after the date of shipment from the port of place of loading in the country of origin, whichever period concludes earlier.

2.21.4 The Purchaser shall give notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Purchaser shall afford all reasonable opportunity for the Supplier to inspect such defects.

2.21.5 Upon receipt of such notice, the Supplier shall, within a reasonable period of time, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the Purchaser.

2.21.6 If having been notified, the Supplier fails to remedy the defect within reasonable period of time, the Purchaser may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier’s risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

2.21.7 Goods requiring warranty replacements must be replaced on free of cost basis to the purchaser if the warranty replacement are to be imported it should be supplied on DDP basis.

2.22 **Terms of Payment**

2.22.1 The method and conditions of payment to be made to the Supplier under this Contract shall be as specified in the SCC.

2.22.2 The Supplier's request(s) for payment shall be made to the Purchaser in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and the Services performed, and by documents, submitted pursuant to Delivery and document Clause of the GCC and upon fulfillment of other obligations stipulated in the contract.

2.22.3 Payments shall be made promptly by the Purchaser but in no case later than thirty (30) days after submission of the invoice or claim by the Supplier.

2.22.4 Payment shall be made in currency as indicated in the contract.
2.23 **Change Orders and Contract Amendments**

2.23.1 The Purchaser may at any time, by written order given to the Supplier pursuant to Clause on Notices of the GCC make changes within the general scope of the Contract in any one or more of the following:

(a) Drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;

(b) The method of shipping or packing;

(c) The place of delivery; and/or

(d) The Services to be provided by the Supplier.

(e) The delivery schedule.

2.23.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within fifteen (15) days from the date of the Supplier's receipt of the Purchaser's change order.

2.23.3 No variation or modification in the terms of the contract shall be made except by written amendment signed by the parties.

2.24 **Assignment**

2.24.1 The Supplier shall not assign, in whole or in part, its obligations to perform under the Contract, except with the Purchaser's prior written consent.

2.25 **Subcontracts**

2.25.1 The Supplier shall notify the Purchaser in writing of all subcontracts awarded under this Contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the Supplier from any liability or duties or obligation under the Contract. Sub contracts can be made only for bought-out items and sub-assemblies. Sub contracts cannot be given wherein the contract warrants so or the contract is such that personal performance by the supplier is required.

2.26 **Extension of time**.

2.26.1 Delivery of the Goods and performance of the Services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser.

2.26.2 If at any time during performance of the Contract, the Supplier or its sub-contractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the Supplier shall promptly notify the Purchaser in
writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier’s notice, the Purchaser shall evaluate the situation and may, at its discretion, extend the Supplier’s time for performance with or without penalty, in which case the extension shall be ratified by the parties by amendment of the Contract.

2.26.3 Except as provided under the Force Majeure clause of the GCC, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of penalty pursuant to Penalty Clause of the GCC unless an extension of time is agreed upon pursuant to above clause without the application of penalty clause.

2.27 **Penalty clause**

2.27.1 Subject to GCC Clause on Force Majeure, if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as penalty, a sum equivalent to the percentage specified in SCC of the delivered price of the delayed Goods or unperformed Services or contract value for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the Percentage specified in SCC. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to GCC Clause on Termination for Default. The SCC shall also indicate the basis for ascertaining the value on which the penalty shall be applicable.

2.28 **Termination for Default**

2.28.1 The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part

(a) If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause on Extension of Time; or

(b) If the Supplier fails to perform any other obligation(s) under the Contract.

(b) If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent or collusive or coercive practices as defined in GCC Clause on Fraud or Corruption in competing for or in executing the Contract.
2.28.2 In the event the purchaser terminates the contract in whole or in part, he may take recourse to any one or more of the following action:

(a) The Performance Security is to be forfeited;

(b) The purchaser may procure, upon such terms and in such manner as it deems appropriate, stores similar to those undelivered, and the supplier shall be liable for all available actions against it in terms of the contract.

(c) However, the supplier shall continue to perform the contract to the extent not terminated.

2.29 Force Majeure

2.29.1 Notwithstanding the provisions of GCC Clauses relating to extension of time, penalty and Termination for Default the Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

2.29.2 For purposes of this Clause, “Force Majeure” means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

2.29.3 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof within 21 days of its occurrence. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

2.29.4 If the performance in whole or in part or any obligations under the contract is prevented or delayed by any reason of Force Majeure for a period exceeding 60 days, either party may at its option terminate the contract without any financial repercussions on either side.

2.30 Termination for Insolvency

2.30.1 The Purchaser may at any time terminate the Contract by giving written notice to the Supplier, if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that
such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Purchaser.

2.31 **Termination for Convenience**

2.31.1 The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.

2.31.2 The Goods that are complete and ready for shipment within 30 days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:

(a) To have any portion completed and delivered at the Contract terms and prices; and/or

(d) To cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and for materials and parts previously procured by the Supplier.

2.32 **Settlement of Disputes**

2.32.1 The Purchaser and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

2.32.2 If, after Thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the Goods under the Contract.

2.32.3 The dispute settlement mechanism/arbitration proceedings shall be concluded as under:

(a) In case of Dispute or difference arising between the Purchaser and a domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory
modifications or re-enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to the Director General, Council of Scientific & Industrial Research and if he is unable or unwilling to act, to the sole arbitration of some other person appointed by him willing to act as such Arbitrator. The award of the arbitrator so appointed shall be final, conclusive and binding on all parties to this order.

(b) In the case of a dispute between the purchaser and a Foreign Supplier, the dispute shall be settled by arbitration In accordance with provision of sub-clause (a) above. But if this is not acceptable to the supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules.

2.32.4 The venue of the arbitration shall be the place from where the purchase order or contract is issued.

2.32.5 notwithstanding any reference to arbitration herein,

(a) The parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and

(b) The Purchaser shall pay the Supplier any monies due the Supplier.

2.33 **Governing Language**

2.33.1 The contract shall be written in English language which shall govern its interpretation. All correspondence and other documents pertaining to the Contract, which are exchanged by the parties, shall be written in the English language only.

2.34 **Applicable Law**

2.34.1 The Contract shall be interpreted in accordance with the laws of the Union of India and all disputes shall be subject to place of jurisdiction as specified in SCC.

2.35 **Notice**

2.35.1 Any notice given by one party to the other pursuant to this contract/order shall be sent to the other party in writing or by cable, telex, FAX, e-mail or and confirmed in writing to the other party’s address specified in the SCC.

2.35.2 A notice shall be effective when delivered or on the notice’s effective date, which ever is later.
2.36 **Taxes and Duties**

2.36.1 For goods manufactured outside India, the Supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside India.

2.36.2 For goods manufactured within India, the Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred till its final manufacture/production.

2.36.3 If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in India, the Purchaser shall make its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent.

2.36.4 **All payments due under the contract shall be paid after deduction of statutory levies (at source) (like ESIC, IT, etc.) wherever applicable.**

2.36.5 **Excise Duty** – If the supply is within India, this institute is exempted from payment of Excise Duty as per notification No.10/97 – Central Excise, dated 1st March, 1997. **Customs Duty** – If the supply is from abroad this Institute is permitted to import goods as per notification No.51/96 – Customs and pay a concessional duty up to 5% as per notification 24/2002 – Customs on all imports. The Education and Higher Education Cess are also payable.

2.37 **Right to use Defective Goods**

2.37.1 If after delivery, acceptance and installation and within the guarantee and warranty period, the operation or use of the goods proves to be unsatisfactory, the Purchaser shall have the right to continue to operate or use such goods until rectifications of defects, errors or omissions by repair or by partial or complete replacement is made without interfering with the Purchaser’s operation.

2.38 **Protection against Damage**

2.38.1 The responsibility lies with the successful Tenderer, if any damage or loss to the property or person of the Institute occurs while undertaking the contract.

2.39 **Site preparation and installation**

2.39.1 The Purchaser is solely responsible for the construction of the equipment sites in compliance with the technical and environmental specifications defined by the Supplier. The Purchaser will designate the installation sites before the scheduled installation date to allow the Supplier to perform a site inspection to verify the appropriateness of the sites before the installation of the Equipment, if required. The supplier shall inform the purchaser about the site preparation, if any, needed.
for installation, of the goods at the Purchaser’s site immediately after notification of award/contract.

2.40 Import and Export Licenses

2.40.1 If the ordered materials are covered under restricted category of EXIM policy in India the Vendor / Agent may intimate such information for obtaining a necessary license in India.

2.40.2 If the ordered equipment is subject to Vendor procuring an export license from the designated government agency / country from where the goods are shipped /sold, the vendor has to mention the name, address of the government agency / authority. The vendor must also mention the time period within which the license will be granted in normal course.

2.41 Risk Purchase Clause

2.41.1 If the supplier fails to deliver the goods within the maximum delivery period specified in the Purchase Order, CLRI may procure, upon such terms and in such a manner as it deems appropriate, Goods or Services similar to those undelivered and the Supplier be liable to CLRI for any excess costs incurred for such similar goods or services.

If the Letter of Credit is required to be extended / reinstated for reasons not attributable to CLRI, the Bank Charges thereof shall be to the beneficiary’s account. |
| GCC 2.22.1 | The L/C will be confirmed at the suppliers cost, if requested specifically by the supplier. All bank charges abroad shall be to the account of the beneficiary i.e. supplier and all bank charges in India shall be to the account of the opener i.e. purchaser. If L/C is requested to be extended/ reinstated for reasons not attributable to the purchaser, the charges thereof would be to the suppliers’ account. Payment of local currency portion shall be made in Indian Rupees within thirty (30) days of presentation of claim supported by a certificate from the Purchaser declaring that the Goods have been delivered and that all other contracted Services have been performed. The LC for 100% value of the contract shall be established after deducting the agency commission payable if any, to the Indian agent from the Ex-Works value. Payment for Goods and Services supplied from India: The payment shall be made in Indian Rupees, as follows: 100% Payment will be released within 30 days after the date of the acceptance certificate issued by the Purchaser. Note: All payments due under the Contract shall be paid after deduction of statutory levies at source (like ESIC, Income Tax, etc.), wherever applicable. |
| GCC 2.27.1 | The penalty shall be 0.5% per week or part of a week towards late delivery and towards delay in installation and commissioning. |
| GCC 2.27.1 | The maximum amount of penalty shall be 10%. The liquidated damages shall be levied on the delivered price of the delayed Goods or unperformed Services or contract value. |
| GCC 2.34.1 | The place of jurisdiction is Chennai, India. |
GCC 2.35.1 | For notices, the Purchaser’s address is
Attention: The Director
Location: Central Leather Research Institute,
Sardar Patel Road, Adyar,
Chennai - 600 020, INDIA
Telephone: 0091-44-24910774
Facsimile number: 0091-44-24455926
Email address: spo@clri.res.in

GCC 2.39.1 | Site preparation and Installation to be done separately for each of the Instrument / equipment with relevant accessories at the each of the following addresses at:

Central Leather Research Institute, Sardar Patel Road, Adyar, Chennai-600020. Tel: 044 – 24910774, Fax: 044 – 24455926,
email: spo@clri.res.in
### CHAPTER 3

- **Term of delivery**: FCA (Named Place of Delivery) Incoterms 2010 (Bidder to specify Gateway International Airport Only) / FOR Destination: ……
- **Period of delivery shall count from** (to be filled by the bidder):
- **Scope of Supply**: ………………………………….
- **Standards**: ………………………………….
- **Training requirement** (Location, no. of persons, period of training, nature of training):
  - ………………………………….
- **Warranty**: ………………………………………………………….
- **Date**: ……………………………
- **Place**: ……………………………

**Signature of the Bidder**

**PS:** Authorization standards that ensure at least a equivalent quality than the standard mentioned in the Technical Specification, will also be acceptable.
CHAPTER 4

4.1.1 Minimum Eligibility Criteria

- The Bidder / Supplier shall be a manufacturer or authorized dealer of manufacturer of reputed type of boiler. The certificate (Sales and Service) for it has to be enclosed with the quotation along with the Technical bid offer for eligibility to participate in the price bid offer.

- Submission of Technical Data Sheet (Annexure XII).

- Minimum 2 installations of the similar model installed in reputed Research/Government Institutes/reputed organization in India within a period of 5 years. Documents supporting installations should be enclosed. (Installation certificate would only be acceptable)

SCOPE OF WORK AND DETAILS OF BOILER, PIPING AND ACCESSORIES ETC.,

NON – IBR Boiler model capable of generating 400 kg/hr of steam at 120 deg C at a maximum safety valve set pressure of 10.54 Kg/cm$^2$ when fired on HSD.

BOILER

HSD fired 400 Kg/hr capacity **Steam boiler, Vertical and shall be water tube coil type.** Boiler shall have the following features:

- The boiler must have company fitted water feed pump, oil pump and all the accessories / mountings necessary for its complete and efficient operation.

- The boiler must be suitable for operating at maximum of 10.54 kg/cm$^2$ steam pressure.

- The job includes connecting boiler and outlet with soft water piping and steam piping along with necessary control valves and fittings.
d. The steam boiler shall be fitted with sub panel containing electronic gadgets/transducers for the electrical operation of the burner and the boiler feed pump controlling the operations in sequence.

e. The operation of the steam boiler must be both manual as well as automatic.

f. The boiler must be installed on available reinforced cement concrete foundation block. However, a recommended drawing from OEM for foundation block has to be provided by the bidder.

g. The steam boiler has to operate at 415+ 5% V, 3 phase /50Hz

h. The job includes supply, fabrication and erection of smoke chimney as per the manufacturer’s Specifications and as per the norms laid by the Tamil Nadu pollution control board Chennai, as per drawings approved by the department.

i. The steam boiler should be equipped with all necessary mountings and fittings including all safety devices, valves, gauges, electrical starters, switches etc.

j. The job also includes providing and fitting of PRV station suitable for 400kg/hr steam boiler at an operating pressure of 10kg/cm².

k. The boiler inspection & test certificates (including hydraulic test) from CEIL & OEM shall be furnished to the department

One Number of Pressure part assembly consisting of closely wound helical vertical membrane coil fabricated out of high temperature resistant ERW tubes and flats. One double jacketed air casing with an aluminium radiator to enclose the pressure parts and serve as an integral combustion air Preheater.

**AUXILIARIES**

a. One Pressure atomised, forced draught, down firing burner assembly suitable for LDO / HSD firing.

b. Blower coupled with motor, mounted on bottom chassis, duly connected to the jacket, blower mounted fuel pump assembly for Boiler.

c. One Number of Water pump, with surge suppressor and relief valve, mounted on pumping module.

d. **Atmospheric economizer** and heat optimizer to pre-heat feed water.

e. One set of Electrical board shall be IP 42 pre-wired control panel with necessary switch gear, power and control circuitry.
f. One Set of tool kit.
g. One steam separator assembly (Optional at extra)

**PIPING**

Feed water line between optimizer, economizer, feed pump and boiler and Fuel oil line between Fuel pump, Y-strainer, burner.

The piping shall be of Carbon steel seamless steam piping conforming to IS 1239 (Part 1) and fittings such as bends, shoe bends, flanges, nipples, sockets, unions, nuts, bolts, washers etc. Complete in all respects along with mild steel E.R.W type (Black Steel) heavy class conforming to IS 1239-79, Part-1 with amendments-1 of Jan.’81 and amendments thereafter, if any.

a) **SUPPORTS:**

Pipe supports, made out of various structural steel sections like ISMC-75, ISA 6565x6mm, ISA 5050x5mm, ISA 4040x5mm etc. shall be provided for the suspended piping wherever required to prevent shaking or sagging. Supports shall be further reinforced at places where fittings are provided to avoid stress on the pipeline. Angle supports/ ceiling hangers etc. shall be fixed to the walls/ ceiling by means of metallic dash fasteners as per site requirements or as approved by the site in-charge. The supports must be smooth with rounded off edges duly applied with two coats of primer followed by synthetic enamel paint. Spacing of the pipe supports shall’t be more than following:

<table>
<thead>
<tr>
<th>Pipe size in mm</th>
<th>Spacing in meters</th>
</tr>
</thead>
<tbody>
<tr>
<td>20 / 25</td>
<td>2.00</td>
</tr>
<tr>
<td>32 / 40 / 50 / 65</td>
<td>2.50</td>
</tr>
</tbody>
</table>

b) **SYSTEMATIC PIPE LAYOUT:**

The piping shall be installed in a uniform manner, parallel to or perpendicular to walls or ceilings and all changes in direction shall be made with fittings. The horizontal piping shall be run at right angles. Bull heading, diagonal crossing over other piping and across the rooms should be avoided. All the piping shall be carefully installed to provide for proper alignment, slope and expansion. All the valves installed inside the plant room must be positioned in an accessible manner and if not so these must be made accessible by providing steel platforms duly fixed in the floor.
c) TESTING:

In general, tests shall be applied to piping before connection of equipment and appliances. In no case piping shall be subjected to pressures exceeding their test rating. The tests shall be completed and approved before any insulation is applied. Testing of the segments of pipe work will be permitted, provided all open ends are first closed by blank-offs or flanges.

After tests have been completed the system shall be drained and flushed 3 to 4 times and cleaned off all dust and foreign matter. All the strainers, valves and the fittings shall be cleaned off all dirt, filings and debris, if any. All the piping shall be tested to a hydraulic test pressure of at least one and a half times the maximum operating pressure, but not less than 10Kg/cm² for a period of not less than 3 hours. All the leaks & defects in the joints revealed during the testing shall be rectified to the entire satisfaction of the engineer-in-charge.

d) MOUNTINGS AND FITTINGS

VALVES:

Flanged steam control gate valve for steam piping along with necessary gaskets/nuts/bolts etc and steam condensate must be suitable for steam up to working pressure of 150psi and tested at 300psi max. The valves further must be suitable for a temperature of 225°C.

VALVES: BALL / GATE

Ball valves up to and including 65 mm dia. shall be of gun metal screw type suitable for 10 kg / cm² test pressure and as per ISO 9001. Check valves(NRV) up to and including 50mm dia. gun metal screwed type, ISI marked class 1 of IS:778. Check valves shall be flanged type in cast iron construction and confirming to class PN-1 All the valves shall meet all the requisite standards and specification under BIS.

FITTINGS:

All bends shall be ready made, heavy duty of appropriate class. All fittings such as branches, reducers’ etc. in all sizes shall be fabricated from the same material as that of pipes of similar dia. and thickness used in the circuit. The reducers shall be eccentric type. To avoid pressure drop, shoe bends / U loop without joints instead of “Tee” joints wherever required shall be fitted. The length of the reducers must be twice the
dia. of the pipes. While laying of offsets, 45° angles over 90° angles should be preferred. Also long bends must be used.

One set isolating needle valves for indicating instruments.

**STEAM**

One Main steam stop valve  
One Auxiliary steam stop valve  
One single port spring loaded safety valve

**WATER**

One Y strainer  
One Drain valve for economizer  
One Relief valve on feed water pump  
One Non-return valve on feed water line  
One Ball for coil blows down.

**FUEL**

One Strainer, “Y” type on fuel oil line  
One main fuel filter (loose supply)

**PAINTING:**

i. All hidden pipe supports, posts etc. shall be applied with two coats of red oxide primer.

ii. Exposed pipe supports shall be applied with a coat of red oxide primer followed by two coats of enamel paint of approved shade.

iii. All un-insulated pipes shall be given a coat of red oxide primer followed by a coat of enamel paint of approved shade

**INSTRUMENTS, CONTROLS AND SAFETIES**

One Burner programmer with matching flame detector  
One Set Audio-visual alarms for abnormal conditions

**STEAM**

One Steam pressure switch for burner ON-OFF control  
One steam pressure gauge  
One Steam temperature indicator-cum-switch for high alarm

**WATER**
One Low water level alarm switch on economizer
One Blow down valve limit switch

**FUEL**

One Fuel pressure indicator.

**GLASS WOOL INSULATION:**

The insulation for hot water piping shall be of glass wool pipe sections. The insulating material shall be non-combustible with following specifications:

Insulating material must be fixed with the piping with the help of binding wire and covered with 0.63 mm x 20mm mesh wire netting. Hot water piping after insulation must be cladded with aluminum sheet of 26 gauge thickness properly riveted. All joints of adjoining section shall be staggered in relation to each other. The insulation of hot water piping shall be provided and fixed as per the specification and diameter of the piping below:

**Pipe diameter Thickness of Insulation**

</tbody>
</table>

**BATTERY LIMITS STEAM**

Steam line shall be fabricated and laid up to existing steam header available in Biological pilot plant and extended to new steam header provided by you at Chemical pilot plant.

**WATER**

Heat optimizer inlet
Advent outlet economizer
Economizer drain valve outlet
Relief valve on feed water pump
Blow down valve outlet

**FUEL**

Main filter inlet / outlet.
Fuel pump by pass connection.
Burner by pass line.
Y-Strainer Drain connection
PERFORMANCE CRITERIA

In order to endure that the boiler smoothly and reliably gives you a designed service it is important that all the important input conditions are compiled for best results. The input parameters of which are:

**High speed Diesel (HSD)**

- Net calorific value : 10,500 Kcal/Kg (46.94 KJ/ Kg)
- Viscosity : 2.5 cst at 37.8 Deg.C

**FEED WATER**

Do the raw water analysis and submit the report to us so as to suggest you a suitable water treatment plant, which has to be supplied by you.

**POWER SUPPLY**

415volts AC ± 5%,50 Hz±3% and 3 phases for Wire system and 240 Volts AC ± 5%, 50 Hz ±3 % and 1 Phase for Control circuit. In case there is fluctuation in the Voltage supply we would advise use of a constant voltage transformer.

**EARTHING:**

The earthing shall be laid for various equipment’s inside the plant room. The job include excavation of pit, filling it with charcoal, salt and black soil as detailed below after providing copper plate electrode in the pit. The job further includes connecting of this copper plate electrode with equipment’s using tinned copper strip of size 25x3 mm with the help of compatible nuts and bolts. The strip shall be properly concealed in the floor. The earthing should be as per Indian Electricity Act.

**AMBIENT CONDITION**

Ambient/Room temperature – 43°C / 28°C
DOCUMENTS AND GUIDANCES NEEDED

i. DRAWING SET: Terminal point, layout, foundation Details, boiler electrical wiring diagram and P& I diagram.

ii. DOCUMENTS: installation manual, O & M manual, Folder (At the time of dispatch)

iii. GUIDANCE ON: Selection & Installation of boiler house accessories, open inspection & hydraulic test of the boiler and commissioning

iv. TRAINING For purpose of user’s education for boiler, equipment’s, operation and maintenance of Boiler.
WATER TREATMENT PLANT

WATER SOFTNER:

The requirement is for water softener plant with FRP body having a capacity of delivering 1500 liters per hour and pressure range between 1.5 to 5kgf/cm². This plant should be able to soften the available water at site and render it viable for use in circuit of the central heating system. The plant shall be complete with pump set, PVC brine tanks, resin filled tanks, combined filters, valves and piping grid to deliver the continuous demineralized water.

SCOPE OF SUPPLY

ONE - WATER FILTER COMPRISING:

ONE – FRP pressure vessel with inlet and outlet connections, media charging and withdrawal connections and supports.

ONE – Set of internal for the above comprising of raw water inlet and bottom collecting system.

ONE – Set of PVC pipe work.

ONE - Manually operated multiport valve for normal operation and backwash.

ONE – Initial charge of filter media comprising of graded, washed and sieved sand and pebbles and Anthracite.

ONE – Outlet sample valve.

Supplier
TECHNICAL FEATURES OF STEAM BOILER

The Scope of work includes (but is not restricted to) Supply, Installation, Testing and Commissioning of following equipment’s, accessories etc. required for the complete functioning of the Chemical & Biological Processing Unit. Any additional items/ works that are required to make the system fully operational and are within the scope shall fall within the limits of this contract. The quoted capacity of boiler and other equipment shall be at Chemical & Biological Pilot Plants in CLRI.

TECHNICAL SPECIFICATION:

a. Steam output: At F&A 120°C should be 400 kg/hr. Steam output from boiler should be sufficient to meet maximum requirement of steam for Pilot plants of Chemical & Biological without any adverse effect on steam temperature & quality. 03 pass or equivalent, once through, forced circulation designed Non-IBR boiler
b. working pressure :10.5 kg/sq.cm (Maximum 15 kg/sq.cm)
c. Steam Temperature: 120 deg C to 180 deg C.
d. Fuel : HSD
e. Fuel Consumption : Less than 36 kgs/hr
f. Thermal efficiency (NCV) : 89±2%(NCV -10500 kcal/kg)
g. Burner control: On-Off type.
h. Water pumps Motor: 2 Hp- 3HP.
i. Total connected load : less than 2.75 KW
j. Electric supply : 3 PH, 415 V AC,50 Hz
k. Overall dimensions (approx.): Length: 1500mm, width: 1400mm, Height: 2350mm
l. Dry weight (approx..) : 1000kg
m. Dryness factor: minimum 1 or 100 %
DESIGN FEATURES:

a. Designed for ease of operation and maintenance.
b. All standard parts to be used for easy availability of spares.
c. Three pass reverse flue design.
d. Fully automatic burner control.
e. Designed for maximum efficiency.
f. Water tube coil boiler
g. Reciprocating boiler water feed pump motor assembly.
h. Pre-wired control panel with sequence controller, fuse, temperature controller, contactors pressure switch etc.
i. Pressure parts fabricated out of ERW tubes.
j. Pressure jet burner assembly.
k. Blower fuel pumps motor assembly.
l. Outer shell for preheating air & enclosing pressure parts.
m. HSD Fuel tank of boiler should be of minimum 300L capacity with graduated scale to indicate fuel consumption if required as per site condition.

Control instruments and Safety items:

a. Pressure indicator to indicate fuel pressure.
b. Pressure switch to maintain constant steam pressure by controlling burner on off operation.
c. Light based sensor to sense the boiler flame failure with audio visual alarm and burner shut down with fuel cut off.
d. Pressure indicator to indicate steam pressure.
e. Temperature indicator cum controller to indicate steam temperature & for safety against steam superheat.
f. Steam safety valve at the unit outlet.
g. Temperature indicator cum controller on flue gas side as safety against low water flow in coil.
TECHNICAL SPECIFICATION (Water softener, flow rate – 600lph-1000 lph):

a. Cylindrical type, MOC of vessel poly glass, flow rate 600lph, slim diameter, minimum burst pressure of 600 Psi. Regeneration tank: 20ltrs. OBR – 13.5 KL

b. Water softener should be capable of supplying boiler feed water from available water supply near identified Pilot Plant premises. Total hardness, total dissolve solids (TDS), suitable alkalinity and iron content should also be maintained within prescribed limits for boiler feed water.

TECHNICAL SPECIFICATION (Water feed pump):

a. These pumps shall be capable of meeting raw water supply rate to softener and storing of boiler feed water in overhead tanks at maximum output capacity of water softener.

b. Flow: 06 meter³ / hour @ 25 meter head

c. Capacity: 3HP

d. Mono block set (CI)

e. Suc/Del: 50mm/40mm

Steam pipe line with all necessary safety features, suitable for installing equipments:
Steam pipe line shall be of sufficient factor of safety with suitable insulation an outer cover to avoid heat loss, it should incorporate all safety features, gauges, hydrodynamic moisture separating valves for individual laundry equipment’s and all necessary fittings. It shall be capable of carrying entire steam demand of all equipment’s at their rated capacity from boiler without any appreciable heat and pressure loss.

Plumbing line with all necessary safety features, suitable for installing equipments:
Plumbing line will consist of complete pipe lines required for water connection to Boiler, different machines and storage tanks in around the Pilot plants of Chemical & Biological pilot plants from available water source near to mentioned Pilot Plants.
## List of Approved Makes of Equipments and Fittings

1. **Steam Boiler**: Thermax/ Jaya/Indootherm or equivalent
2. **Piping**: Jindal / Surya / Prakash / Tata or equivalent
3. **GI piping**: Jindal/ Surya / Prakash or equivalent
4. **Insulation**: Glass wool Twiga or Lloyd/ Rock Wool/ Sun rock or equivalent
5. **Ball Valves**: Audco/ CIM/SANT/ Leader/ Excel or equivalent
6. **Gate Valves**: Audco/ CIM/SANT/ Leader/ Excel or equivalent
7. **Traps**: Thermax / or equivalent
8. **Bends & Reducers**: Seamless Sch 40 or equivalent
9. **Flanges**: Class 150 or equivalent
10. **Water Softener Plant Ion Exchange**: Thermax or equivalent
11. **Gear Diesel pump**: Rotodel/ Roto fluid or equivalent
12. **Pressure/ Temperature and Gauges**: Guru/Fiebig/ Honeywell/ Waree or equivalent
13. **Servo Voltage Stabilizer**: Automatic Electronics/ Blueline/ Electric Field/ Servomax or equivalent
14. **Electrical Panel**: Krypton/ Mir electrical/ Adellac/ Advance/ Thermax / Eqult or equivalent
15. **Cabling**: Havells/ Gloster/ Reliance/ Orbit / Polycab or equivalent
16. **MCB’s/ MCCB’s**: Havells /SSK/ L&T/ Legrand or equivalent
17. **DOL starter**: Havells /SSK/ L&T/ Schnider or equivalent
18. **Contactors**: L&T/ Siemens/ Schnider or equivalent

**Note:** In case any other make apart from those specified above is being used specific approval of the Technical Committee at CLRI would have to obtained.
TECHNICAL TERMS AND CONDITIONS

• Bidder’s quotation shall meet all specification of boiler, boiler accessories, pumps, tanks, pipelines, other connected equipment’s and workmanship of erection and commissioning of boiler as mentioned in the Tender.

• The bidder/ contractor shall carry out all the jobs/ works for supply and erection& commissioning of boiler, water treatment plant, pumps, tanks, pipe line & its supports, Laying of all foundations of boiler and all connected equipment’s.

• Raising of floor area of Boiler room, rectification jobs for leakage of rain water and walls of boiler shelter suitable for site condition & operation may be quoted as optional.

• User List of customers to whom similar works have been executed.

• In case the bid is submitted by Authorized dealer of manufacturer, an authorization certificate from the manufacturer for SALES AND SERVICE should be attached.

• Company’s profile with facility of manufacture / direct dealership certificate for Sales & service / authorization letter for installation & service of Boiler from the original manufacturer and profile of quality control network.

• The duly filled technical data sheet furnished in Tender will have to be submitted along with Technical Bid offer

• The ISO 9001, ISO 14001 Certification of Manufacturer have to be furnished by the Manufacturer or bidder on behalf of Manufacturer with dealership certificate / Authorization letter.
Note:

The vendor/Supplier must agree and fulfill all the above eligibility criteria/pre-qualification conditions. The Technical datasheet (enclosed with tender) duly filled by the vendor/Supplier and AMC charges of Boiler will be considered for selection and further processing. Technical bids of vendors not fulfilling the pre-qualification conditions as mentioned above will be rejected. CLRI reserves the right to verify/confirm all original documentary evidence submitted by vendors/Suppliers in support of above mentioned clauses of eligibility criteria.

Submission of Drawings and Technical Data:

The contractor shall submit five sets of general arrangement drawing indicating overall dimensions, Boiler, pumps, water tanks, electrical and Microprocessor wiring diagram of the boiler system, etc. within one week from the date of placing the order by the purchaser/customer. Technical Data of all items that would be supplied shall also be furnished, along with make and model number of the respective items, in the enclosed Technical Data Sheet which is attached with tender document.

Packing and Transportation:

a. Bidder shall note that packing shall be in accordance with the instructions outlined. Each package shall be limited to the sizes and weights that are permissible under the existing rail and road limitations.

b. Equipment’s shall be well packed, protected and insured against damage or breakage during shipment and delivery.

c. Each package shall be properly labeled to indicate the type, quantity of material it contains, the work/Purchase order number, dimensions, weight and other necessary data to identify the equipment’s (boiler, pumps, equipment’s/parts of water treatment plant) related to CLRI order.

Materials and workmanship:

All materials used shall conform to the qualities and requirement of materials as specified in Chapter I and Chapter III and where materials requirements are not specified they shall conform to the applicable standards and codes. All materials shall be new and free from defects and first class quality in all aspects. Parts shall be free from
flaws and objectionable imperfections and shall be machined true in a workman like manner. No deviation from the specified materials is permissible. Wherever materials are not specifically called out, they shall be properly selected by the contractor out of the best standards for the particular application and with the prior approval of the department.

Standards and codes:

The design, manufacture and performance of equipment (Boiler) shall comply with currently applicable statutory regulations and safety codes in the locality where the equipment (Boiler) will be installed. The contractor shall refer the relevant sections of the specification for Boiler and work standards and codes.

Delivery of items and completion of Work

1. **Validity of quotations:** The offer shall be valid for a period of not less than 150 days from the date of opening of tender.

2. **Delivery period:** 1 month for supply of materials from the date of issue of CLRI order from the Department.

3. **Completion of Work:** Installation / Erection and work completion at site shall be 2-3 months from the date of issue of order from CLRI.

4. **Time schedule chart:** The contractor shall furnish a detailed work schedule chart covering the scope of all activities and period required for completing each of the activities, within 5 days from the date of issue of work order from the Department.

Guarantee:

The contractor shall provide guarantee for trouble free & efficient performance of the Boiler and water treatment plant with other supplied equipment’s & accessories for One-year period from date of acceptance by the customer after the successful completion of work/ commissioning/ testing. The supplier will have to attend all the faults and replace all defective components/spares etc., at free of cost during the guarantee period of one year.
Note:

1. The tenderer/ bidder shall quote make and model of the boiler, water treatment plant, pumps, accessories, other equipment’s and enclose catalogues /leaflets along with quotation.

2. The tenderer/ bidder shall highlight the features and facilities of the Boiler.

3. The tenderer / bidder shall submit their proposed layout drawings (Plan & Section views) for Boiler, water treatment plant, pumps, accessories, other equipment’s suitable for size of existing boiler house with locations shown in the enclosed plan of drawing layout that are enclosed with tender document.

4. The requirement of civil RCC pedestal/foundation as necessary shall be clearly indicated with its cost in the vendor’s /supplier’s quotation.

5. The space required for installation of Boiler and overall space requirements around boiler for ease of O&M activities for each of the equipment shall be clearly indicated in the technical leaflet. /layout drawings.

6. The Vendor/ Supplier shall submit the filled up Technical Data Sheet and Comprehensive AMC Charges for boiler and other items supplied by the vendor/supplier for 5 years from the date of completion of one year guarantee period.

7. The Technical Data sheet duly filled by the Vendor/ Supplier and Comprehensive AMC Charges committed/ indicated for 5 years by the Vendor/ Supplier shall be considered for selection of Vendor/ Supplier and for Award of Work / Purchase Order.

8. The Vendor/ Supplier shall submit the schematic electrical power and control wiring diagrams of boiler, water treatment plant, pumps, accessories, other equipment’s and system along with the Technical Bid for planning and coordination of work.

4.1. **General criteria:-**

1. List of installations of the model quoted in India with contact details. (Annexure VII)

2. Year of introduction of the model quoted. (In Technical Bid)

3. Spares and service support for the instrument for the period of 10 years from the date of installation. (Technical details in Technical bid)

4. Details of computer, Printer and other accessories to be supplied along with the equipment. (Technical details in Technical bid)

5. Details of make, model, service support for the outsourced items/ supporting accessories (Technical details in Technical bid)

6. AMC charges after the warranty period- (to be quoted in price Bid)

7. The bidder shall furnish documentary evidence to demonstrate that the bidder satisfies the bidders’ eligibility criteria.

8. The Bidder should be a manufacturer/authorized representative of a manufacturer who must have designed, manufactured, tested and supplied the equipment(s) similar to the type specified in the “Technical Specification”. The MAF must be enclosed with the technical bid. Such equipments must be of the most recent series/models incorporating the latest improvements in design. The models should be in successful operation for at least one year as on date of Bid Opening.

9. The Indian Agents of foreign manufacturers/ suppliers quoting directly on behalf of their principals for items appearing in the restricted list of the current EXIM policy of the Govt. of India are registered with DGS&D.

10. Either the Indian Agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. However, the offer of the Indian Agent should also accompany the authorization letter from their principal. Further, to maintain sanctity of tendering system one Indian agent cannot represent two different foreign principals in one tender.
11. The Bidder should furnish the information on all past supplies and satisfactory performance in the proforma (Performance Statement Form).

12. Bidders shall invariably furnish documentary evidence (client’s certificate) in support of the satisfactory operation of the equipment.

13. Details of Service Centre and information on service support facilities that would be provided after the warranty period (in the Service Support Form).

14. That adequate and specialized expertise is already available or will be made available following the execution of the contract in the Purchaser’s country, to ensure that the support services are responsive and adequate as per ‘Instructions To Bidders 1.13.2(c)’.

4.3 Scope of Supply

Supply, Installation, Commissioning, Training and Testing of Boiler on Turn Key basis at CSIR- CLRI, Chennai.

4.4 Inspection & Tests

4.4.1 General

01. The Supplier shall at its own expense and at no cost to the Purchaser carry out all such tests and/or inspections of the Goods and Related Services as are specified here.

02. The inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at the point of delivery and/or at the Goods final destination.

03. Whenever the Supplier is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Purchaser. The Supplier shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Purchaser or its designated representative to attend the test and/or inspection.

04. Should any inspected or tested Goods fail to conform to the specifications, the Purchaser may reject the goods and the Supplier shall either replace the rejected Goods or make alterations necessary to meet specification requirements free of cost to the Purchaser.
05. The Purchaser's right to inspect, test and, where necessary, reject the Goods after the Goods' arrival at final destination shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representative prior to the Goods shipment.

06. The Supplier shall provide the Purchaser with a report of the results of any such test and/or inspection.

07. With a view to ensure that claims on insurance companies, if any, are lodged in time, the bidders and/or the Indian agent, if any, shall be responsible for follow up with their principals for ascertaining the dispatch details and informing the same to the Purchaser and he shall also liaise with the Purchaser to ascertain the arrival of the consignment after customs clearance so that immediately thereafter in his presence the consignment could be opened and the insurance claim be lodged, if required, without any loss of time. Any delay on the part of the bidder/Indian Agent would be viewed seriously and he shall be directly responsible for any loss sustained by the purchaser on the event of the delay.

08. Before the goods and equipments are taken over by the Purchaser, the Supplier shall supply operation and maintenance Manuals together with Drawings of the goods and equipments built. These shall be in such details as will enable the Purchase to operate, maintain, adjust and repair all parts of the works as stated in the specifications.

09. The Manuals and Drawings shall be in the ruling language (English) and in such form and numbers as stated in the Contract.

10. Unless and otherwise agreed, the goods and equipment shall not be considered to be completed for the purposes of taking over until such Manuals and Drawing have been supplied to the Purchaser.

11. On successful completion of acceptability test, receipt of deliverables, etc., and after the Purchaser is satisfied with the working of the equipment, the acceptance certificate signed by the Supplier and the representative of the Purchaser will be issued. The date on which such certificate is signed shall be deemed to be the date of successful commissioning of the equipment.

**ACCEPTANCE TERMS**

12. Specifications should be strictly adhered to without compromise. At the time of supply, all the parts supplied should be the latest one i.e. should there be a new and improved version of the part(s) developed after the quote was furnished the improved versions should only be supplied and without any additional cost to the
buyer. Parts that have become obsolete in the rest of the world (USA, Europe, Japan) should not be supplied here. Proper documents should be furnished to support this.

13. A simple step-by-step operating procedure (max 2 pages) which will be kept near the equipment indicating the precautions for eg. Safe pressures, dos and don'ts for safe and correct use of the entire equipment including software should be provided to help extend the life of the system.

14. With respect to the columns, specific maintenance and handling procedures including during operation as well as idling periods should be provided.

15. Demonstration of the equipment should be done at least for three standard proteins at the extreme ranges and one intermediate (flow rates)

16. The service manual to be given.

### 4.4.2 Pre-despatch Inspection by CLRI

**Applicable**

### 4.4.3 Manufacturer’s Inspection Certificate

After the goods are manufactured and assembled, inspection and testing of the goods shall be carried out at the supplier’s plant by the supplier, prior to shipment to check whether the goods are in conformity with the technical specifications. Manufacturer’s test certificate with data sheet shall be issued to this effect and submitted along with the delivery documents. The purchaser reserves the options to be present at the supplier’s premises during such inspection and testing.

### 4.4.4 Third Party Inspection

**Not Applicable**

### 4.4.5 Acceptance Test

The acceptance test will be conducted by the Purchaser, their consultant or other such person nominated by the Purchaser at its option after the equipment is installed at Purchaser’s site in the presence of supplier’s representatives. The acceptance will involve trouble free operation. There shall not be any additional charges for carrying out acceptance test. No malfunction, partial or complete failure of any part of the equipment is expected to occur.
The Supplier shall maintain necessary log in respect of the result of the test to establish to the entire satisfaction of the Purchaser, the successful completion of the test specified. In the event of the ordered item failing to pass the acceptance test, a period not exceeding two weeks will be given to rectify the defects and clear the acceptance test, failing which, the Purchaser reserve the right to get the equipment replaced by the Supplier at no extra cost to the Purchaser.

Successful conduct and conclusion of the acceptance test for the installed goods and equipments shall also be the responsibility and at the cost of the Supplier.

### 4.5 Training

Training of operation and maintenance of each instrument to be provided to the user group by the Indian agent / Supplier consisting of minimum 2 persons at:

- Central Leather Research Institute, Sardar Patel Road, Adyar, Chenani – 600 020 (India).

### 4.6 Standards

As indicated in Tender Document, BIS or equivalent international standards.

### 4.7 Warranty

The warranty of the equipment should be for a period of **One Year** comprehensive warranty on all parts (mechanical, electronic, etc) from the date of acceptance. During the warranty period free upgrades of the soft wares, if any, should be provided.

### 4.8 Annual Maintenance Contract (AMC)

The supplier has to quote in the Price Bid for **NON COMPREHENSIVE AMC** after the expiry of the warranty period, detailing the number of breakdown and preventive maintenance visit, exclusions if any and other terms and conditions.

### 4.9 Incidental Services

**Not Applicable**

CONTRACT FORM

Contract No. _____________________________ Date: ________________

THIS CONTRACT AGREEMENT is made

the [insert: number] day of [insert: month], [insert: year].

BETWEEN

(1) The Director, Central Leather Research Institute, Adyar, Chennai, a constituent Laboratory of Council of Scientific and Industrial Research registered under the Societies Registration Act 1860 of the Government of India having its registered office at 2, Rafi Marg, New Delhi-110001, India represented by Controller of Stores and Purchase, CLRI, Adyar, Chennai, INDIA, (hereinafter called “the Purchaser”), and

(2) [insert name of Supplier], a corporation incorporated under the laws of [insert: country of Supplier] and having its principal place of business at [insert: address of Supplier] (hereinafter called “the Supplier”).

WHEREAS the Purchaser invited bids for certain Goods and ancillary services, viz., [insert brief description of Goods and Services] and has accepted a Bid by the Supplier for the supply of those Goods and Services in the sum of [insert Contract Price in words and figures, expressed in the Contract currency(ies)] (hereinafter called “the Contract Price”).

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

01. In this Agreement words and expressions shall have the same meanings as are respectively assigned to them in the Conditions of Contract referred to.

02. The following documents shall constitute the Contract between the Purchaser and the Supplier, and each shall be read and construed as an integral part of the Contract:

(a) This Contract Agreement

(b) Special Conditions of Contract
I General Conditions of Contract

(d) Technical Requirements (including Schedule of Requirements and Technical Specifications)

I The Supplier’s Bid and original Price Schedules

(f) The Purchaser’s Notification of Award

(g) [Add here any other document(s)]

74. This Contract shall prevail over all other Contract documents. In the event of any discrepancy or inconsistency within the Contract documents, then the documents shall prevail in the order listed above.

04. In consideration of the payments to be made by the Purchaser to the Supplier as hereinafter mentioned, the Supplier hereby covenants with the Purchaser to provide the Goods and Services and to remedy defects therein in conformity in all respects with the provisions of the Contract.

05. The Purchaser hereby covenants to pay the Supplier in consideration of the provision of the Goods and Services and the remedying of defects therein, the Contract Price or such other sum as may become payable under the provisions of the Contract at the times and in the manner prescribed by the Contract.

IN WITNESS whereof the parties hereto have caused this Agreement to be executed in accordance with the laws of Union of India on the day, month and year indicated above.

(f) We understand that you are not bound to accept the lowest evaluated bid or any other bid that you may receive.
Signed: [insert signature of person whose name and capacity are shown] In the capacity of
[insert legal capacity of person signing the Bid Submission Form]

Name: [insert complete name of person signing the Bid Submission Form]

Duly authorized to sign the bid for and on behalf of: [insert complete name of Bidder]

Dated on ____________ day of __________________, _______ [insert date of signing]
ANNEXURE X

PERFORMANCE SECURITY FORM

MODEL BANK GUARANTEE FORMAT FOR PERFORMANCE SECURITY

To,

WHEREAS ..........................................
(name and address of the supplier) (hereinafter called “the supplier”) has undertaken, in pursuance of contract no. ....... dated ............to supply (description of goods and services) (herein after called “the contract”).

AND WHEREAS it has been stipulated by you in the said contract that the supplier shall furnish you with a bank guarantee by a scheduled commercial bank recognized by you for the sum specified therein as security for compliance with its obligations in accordance with the contract;

AND WHEREAS we have agreed to give the supplier such a bank guarantee;

NOW THEREFORE we hereby affirm that we are guarantors and responsible to you, on behalf of the supplier, up to a total of ......................................... (amount of the guarantee in words and figures), and we undertake to pay you, upon your first written demand declaring the supplier to be in default under the contract and without cavil or argument, any sum or sums within the limits of (amount of guarantee) as aforesaid, without your needing to prove or to show grounds or reasons for your demand or the sum specified therein.

We hereby waive the necessity of your demanding the said debt from the supplier before presenting us with the demand.

We further agree that no change or addition to or other modification of the terms of the contract to be performed there under or of any of the contract documents which may be made between you and the supplier shall in any way release us from any liability under this guarantee and we hereby waive notice of any such change, addition or modification.

This guarantee shall be valid until the ..... day of ......., 20............

(Signature of the authorized officer of the Bank)

..........................................................
Name and designation of the officer

..........................................................
Seal, name & address of the Bank and address of the Branch

Note: Whenever, the bidder chooses to submit the Performance Security in the form of Bank Guarantee, then he should advise the banker issuing the Bank Guarantee to immediately send by Registered Post (A.D.) an unstamped duplicate copy of the Guarantee directly to the Purchaser with a covering letter to compare with the original BG for the correctness, genuineness, etc.
