Preparation and Supply of Hand Sanitizer by CSIR-CLRI

In order to contain the recent spread of corona virus disease (COVID 19) pandemic, CSIR-CLRI prepared 2\textsuperscript{nd} batch of 120 litre and third batch of 280 litre of hand sanitisers. The Hand sanitizers were prepared as per the WHO recommended hand rub formulation based on isopropyl alcohol. The 120 litre of hand sanitizers were handed over to Dr. Hemalatha, City Medical Officer, Greater Chennai Corporation on 08.04.2020 and 280 litre of hand sanitizers were handed over to Dr. Govindarajan, Eguvarapalayam Block, Thiruvallur District, Tamil Nadu on 10.04.2020 by Dr K J Sreeram, Director, CSIR-CLRI, Chennai. In total CSIR-CLRI has produced about 650 litres of hand sanitizers for the use of Health care and Hospital workers of the Tamil Nadu State Government.
